DBA Learning Community

Experience a University of Missouri-St. Louis Doctor of Business Administration residency by joining the Class of 2020 as they train in a learning community supported by select internationally renowned faculty recognized for their research and experience in graduate education. Our passion and expertise alleviate the obstacles to balancing work, life, and doctoral studies!

Redefining "Balance": My Journey to Equilibrium

"What if I told you that my goal for work-life balance was over? In America, we have a constant tension between balancing all of the demands that are placed on us at work, with family, with our social lives and for some, at school."

DBA Program ranked among best in the world by CEO Magazine

For the second straight year, the Doctor of Business Administration program at the University of Missouri-St. Louis earned a top global ranking from CEO Magazine.

Acclaimed DBA program transforming business leaders into practitioner-scholars

UMSL's DBA program focuses on the application of theory paired with a deep exploration of qualitative and quantitative research methods. Courses are structured over a three-year period through online learning and a two-day residency each month.

Supporting Local Organizations

UMSL DBA is a proud supporter of the Asian American Chamber of Commerce. We had a great time at the 2019 AACC Connections Dinner!

Enjoying Quality Time Together

During the June 2019 residency, some of our DBA 2021 students enjoyed quality cohort time Friday evening after a full day of discussions on organizational culture and climate followed by exploratory factor analysis!

Appreciation of the Arts

UMSL DBA appreciated the talent that the Mizzou New Music Ensemble possesses as we watched them perform at the World Chess Hall of Fame in May 2019!

First UMSL DBA Baby

UMSL DBA is excited to welcome the first UMSL DBA baby born in April 2019!
