In a globalized economy where adaptability and collaboration are of paramount importance, studying a language will enhance your career opportunities. There is an increasing demand for qualified teachers, translators, and interpreters. Businesses are eager to hire people with language proficiency. Your language skills will place you in an excellent position to explore careers in many fields.

**SKILLS**

- In listening and speaking,
  - demonstrate comprehension of the main ideas and supporting details of narrative and descriptive texts on familiar and concrete topics, such as those on radio, television, and podcasts;
  - discuss topics related to work, school, home, leisure activities, culture, and a variety of media;
  - use the target language in real-world situations in culturally-appropriate ways;
  - produce narrations and descriptions on familiar topics in present, past, and future time frames and;
  - summarize research in oral presentations.
- In reading and writing,
  - demonstrate comprehension of the main idea, supporting details, argumentative structure, and perspective in authentic texts of various genres;
  - produce narrations and descriptions in present, past, and future time frames employing connected discourse;
  - summarize, analyze, and synthesize content, and begin to express supported opinions;
  - assess language reference resources and use them effectively and;
  - conduct independent research and present findings.
