

# English BA

Engaging with and changing the world starts with reading and writing your way through it. The Department of English offers classroom, research, internship, and creative opportunities that will help you critically approach and insightfully analyze the diverse texts and situations you encounter every day. From reading and discussing important literary works to impressing people with your outstanding writing, to becoming a more critical consumer and composer of digital media, the English BA positions you to advocate for awareness and change in both professional and public spheres. English majors love words, and our department offers insight into wielding their power and using them for the greater good.

## Career Outlook

With their advanced critical thinking and analytical skills, creative problem-solving ability, adaptability across communicative situations, and sensitivity to the diverse needs of different audiences, English majors are uniquely prepared to thrive in any career that places a premium on the creation and interpretation of the written word.
