

EDUCATION & SOCIAL CHANGE

Majors included: Education, Criminology & Criminal Justice, Psychological Sciences, Social Work, & Sociology

The Education & Social Change Pathway is intended for students that are motivated to help improve society at the grassroots-level. Students in this pathway are considering becoming educators (both in and out of classroom settings) with an intent of uncovering social issues and assisting those in need. Students that choose this path are particularly intrigued by working with people to make progress in their communities as an agent of change and hope.
