

THE HUMAN EXPERIENCE

Majors included: English, History, & Philosophy

The Human Experience Pathway is intended for students that are motivated by critically examining components of human society and culture. They may enjoy reading about historical events that have led to contemporary issues, studying similarities and differences of people from other countries, and/or writing creative short-stories or essays. Students in this pathway can expect to explore how to process and document aspects of being a person in the world today.

1
