Modified MS in Computer Science

Effective SP2020, MS in Computer Science has multiple options to choose from

- **Traditional** – similar to the prior MS in Computer Science
- **Certificate** – earn a graduate certificate and take a group of courses
  - Available graduate certificates
    - Existing and pending, all changing to 4 courses/12 credits
    - Artificial Intelligence
    - Cybersecurity
    - Data Science
    - Mobile Apps and Computing
- **Professional** - pending

Students who started before SP2020 can choose one of the new MS options or follow the prior MS program until graduation.
