Please use the spaces provided overleaf to list any additional or optional **Honors** courses you have taken, and to explain any exceptions from or substitutions to the Honors program requirements.

<sup>1</sup> **Please note** that you must normally achieve a grade not lower than C- for each honors course in order for it to receive Honors program credit.  
<sup>2</sup> **Please note** that **Honors 3100, "Writing the City", Honors 3120, "Business Writing", or Honors 3160, "Writing in the Sciences"** is a **required** element of the Honors program for all transfer students unless a major dictates otherwise (for example, English majors take English 3090 in place of Honors 3100). It is not a requirement of the four-year program. However, Four-year program students are welcome, indeed encouraged to take this course, which meets the University's graduation requirement for advanced composition for most majors and in most divisions, and for four-year students, Honors 3100 may replace one of the required seminars.
