

Nurse Practitioner Faculty Position

Overview

This position may be tenured/tenure track or non-tenure track. The NP faculty member will teach in the College of Nursing in areas of expertise, provide service to the College, University, community, and profession and contribute to the mission and strategic priorities of the College of Nursing. For appointment as a tenure-track/tenured faculty member the position requires a program of funded research/scholarship.

We are currently seeking applicants with certification in the following areas:

- Primary Care Pediatric Nurse Practitioner
- Women's Health Nurse Practitioner
- Adult/Gerontology Nurse Practitioner
- Psychiatric/Mental Health Nurse Practitioner

RESPONSIBILITIES OF THE POSITION

1. Participating in the ongoing development, implementation, evaluation, and enhancement of nursing academic programs:
 - a. Participating in program and course revisions.
 - b. Revising assigned courses to reflect program outcomes, AACN essentials, and other professional standards, state board of nursing minimum standards, current evidence and best practice.
 - c. Collaborating with emphasis area coordinators, clinical coordinators, program directors, and the Associate Dean for Academic Programs to identify the types of clinical experiences and sites needed for optimal clinical education of students.
 - d. Teaching graduate and undergraduate nursing courses as assigned.
 - e. Supervising nursing students as assigned.
 - f. Collaborating with clinical agencies in arranging student clinical experiences (e.g. orientation to objectives of clinical experience, course syllabus, clinical schedule, et al) as appropriate.
 - g. Participating in the development of academic policies affecting the admission, progression, graduation and dismissal of students.
 - h. Participating in the evaluation and ongoing enhancement of the curricula.
 - i. Applying evidence from best education practices to curriculum development and to teaching.
2. Serve the College of Nursing, University, community and profession:
 - a. Participating in College of Nursing faculty, standing committee, task force and other meetings.
 - b. Participating in University Assembly and Faculty Senate Committees and ad hoc committees.
 - c. Participating in community and professional activities as appropriate.
 - d. Participating in scholarly projects as appropriate.
3. Contributing to the mission and strategic priorities of the College of Nursing and the University of Missouri-St. Louis.
4. Collaborating effectively with other faculty and staff members both within the College of Nursing and throughout the University and community to develop inter-professional academic, clinical, and research opportunities.
5. Engagement in clinical scholarship or research.

Qualifications Required:

1. A graduate degree in nursing; doctorate in nursing or a related field.
2. National Board certification as a nurse practitioner.

3. Missouri RN Licensure and recognition by the Missouri State Board of Nursing as an Advanced Practice Registered Nurse (APRN) prior to employment.
4. Three or more years of experience as a registered professional nurse.
5. Evidence of successful classroom and/or clinical teaching experience.
6. Effective interpersonal skills and cultural competence.
7. Ability to work with a diverse group of students and colleagues.

Preferred:

1. Experience with instructional media and technology.
