*Please note the following are *not* included in the estimated costs above: textbooks & supplies, clinical expenses (i.e. physical, background check, uniforms, equipment, etc.), graduation & licensure expenses, room & board (optional), online course fees (if applicable). In past years, we have made attempts to estimate the costs of some of these items and include them on this cost sheet. However, with the myriad of options students now have—it is no longer possible for us to accurately estimate these expenses. Students should be aware that the costs listed above *only* pertain to tuition and nursing course fees, and that they can also expect to incur most of the additional expenses that are listed in this paragraph.
