Teach in 12 Elementary Education Grades 1-6 Missouri Teacher Certification

Learn state of the art instructional practices that excite children and provide them with a learning environment that allows them to build their knowledge acquisition and relationship building skills as they realize their talents and potentialities for the global stage. Become an educator and shape tomorrow's youth.

Personal success in one career can lead to a desire to seek out a new career that makes a difference in the lives of others. Many career changes find great fulfillment as teachers. No other profession can so fully empower you to directly and immediately impact our young people and communities.

Those who have a bachelor's degree in any subject area may be eligible to earn Missouri Teacher Certification at the UMSL College of Education through our innovative accelerated Teach in 12 programs.
