Teach in 12 Secondary Education Grades 9-12 Missouri Teacher Certification

High school is an important time as students begin to think of their future plans and heading to post-secondary education. These crucial years guide students to make the life choices they need to be successful.

Personal success in one career can lead to a desire to seek out a new career that makes a difference in the lives of others. Many career changers find great fulfillment as teachers. No other profession can so fully empower you to directly and immediately impact our young people and our communities.

Those who have a bachelor's degree in any area may be eligible to earn Missouri Teacher Certification at the UMSL College of Education through our innovative accelerated Teach in 12 programs.
