Wanna write a book?

Now is the time.

November is Nation Novel Writing Month, and GWP has the support you need to get started. Join us for our first ever NaNoWriMo Planning Class.

Not ready to commit to 50,000 words in 30 days? No problem. Participation in NaNoWriMo isn't a requirement to attend the class.

If you've ever wondered how to pre-write a large project or how to find time to write, this is your opportunity to learn.
