

Join the E. Des Lee Tutorial Endowment for a
Professional Learning Opportunity

IMPLEMENTATION OF UFLI FOUNDATIONS

An Explicit and Systematic Phonics Program

JOIN US

If you are a PK-12 classroom educator, Literacy Specialist, Reading Interventionist, Tutor, Tutor Educator, Literacy Program Organization and/or community partner, you are invited to attend!

ABOUT THE ORGANIZATION

UFLI Foundations is a research-based program to support teachers and readers. This is an explicit and systematic phonics program that consists of a carefully designed scope and sequence, a collection of lesson plans, and supplemental resources to support lesson implementation. Participants will develop professional knowledge about readers and the reading process, how to implement UFLI lessons using the online resources, integrate UFLI Foundations into comprehensive literacy instruction, and network with other regional literacy professionals.

BENEFITS

With the generous support of the E. Des Lee Tutorial Endowment, this professional learning opportunity is being offered at no cost to participants. There is a request to share implementation and learning with the network of literacy providers following the training.

Register by Feb. 10:
