

**Complete this form electronically, fill out all sections, and obtain all required signatures.**

Before UMSL can issue your Certificate of Eligibility (Form I-20), U.S. law requires us to confirm that you have enough financial support for your studies. Please complete the Affidavit of Support and submit it with documents showing funds that meet or exceed our estimated yearly cost, listed at [global.umsl.edu/f1docs](http://global.umsl.edu/f1docs). You only need to show proof for your first year, but you must have financial resources for your entire program. This form lets us know that you and your sponsor(s) understand and agree to these responsibilities. Incomplete forms, handwritten forms, and forms with missing signatures cannot be accepted. Upload your completed form and documents at [apply.umsl.edu/apply/status](http://apply.umsl.edu/apply/status).

**Part V Your Signature**

**Student Certification:** I certify that all information I have provided on this form is true and complete to the best of my knowledge. I understand that giving false or misleading information may result in the denial or cancellation of my Form I-20 and my enrollment at the University of Missouri–St. Louis (UMSL). I recognize that as an international student, I am not eligible for U.S. federal financial aid, need-based scholarships, or domestic scholarship programs. I understand that employment options for international students are limited by U.S. federal regulations and should not be relied upon to cover the cost of my education. I understand that UMSL may cancel my course registration if I do not meet the minimum payment requirements by the published deadlines, and that this may impact my ability to maintain lawful immigration status. I acknowledge that tuition and fees are subject to change, and that actual expenses may vary based on my individual situation. Cost increases should be expected each academic year. I understand that UMSL provides estimates for planning purposes and is not responsible for differences between estimated and actual costs.
