

## Request for Replacement I-20/DS-2019 (in case of loss or theft only)

If your immigration document (I-20 or DS-2019) was lost or stolen, you will need to request a new one. If your document was stolen, you will need to attach a copy of the police report documenting the theft to this request. Please note: we cannot process your request if any of the following apply to you:

- 1) You have a hold on your student account.
- 2) You are currently not enrolled as a full-time student (unless our office has given you written authorization to drop below full-time status).
- 3) You have ever failed to complete a full-time load of courses in any previous semester (this includes delayed (DL), excused (EX), and withdrawn (Y) grades, none of which count towards full-time enrollment).

If any of the above situations apply to you, please make an appointment to see an advisor.
