Certificate Program:
- The graduate certificate in Artificial Intelligence is a four-course program.
- It provides skills and training necessary to start and/or advance in the growing areas of AI, with a range of electives to focus more specifically in one’s desired direction of study.
- All students must take two required courses and two electives.
- Prior background in AI is not required to enter this program.
- Can be extended into the MS program described at:  
  http://www.umsl.edu/cmpsci/graduate-studies/ms-compsci.html

Program Website:
http://www.umsl.edu/cs/certificates/ai-grad-cert.html

Application Requirements:
1. Application  
   a.  http://umsl.edu/go/Apply-Now
2. Bachelor’s Degree  
   a. By the time of enrollment, prospective students must have obtained a baccalaureate degree or the equivalent from an accredited college or university.
3. Grade Point Average (GPA) and coursework  
   a. A minimum GPA of 3.0 on a 4.0 scale is required to be considered for regular admission.
   b. A prior GPA below 3.0 will be considered on an individual basis for restricted admission.
   c. Applicants must demonstrate proficiency in programming with data structures, object-orientation, design and analysis of algorithms, as well as minimum of basic calculus and statistics.
4. Official Transcripts  
   a. Applicants must submit official transcripts to the Graduate Admissions Office documenting the baccalaureate degree and all other prior college and graduate-level coursework completed.

Application Deadline  
Fall admission: July 1  
Spring admission: December 1  
Summer admission: May 1

Applications submitted after the deadlines will be considered for admissions on a rolling basis until the beginning of the semester.

Application Fee  
$50 for domestic applicants; $40 for international applicants
