

UMSL | Graduate School

Master of Accounting (MAcc)

Degree Program

- **Prerequisite Courses:** Students must complete the prerequisite courses before admission to the Master of Accounting program can be finalized: College Algebra, Fundamentals of Financial Accounting, Managerial Accounting, Financial Accounting & Reporting I, Financial Accounting & Reporting II, Cost Accounting, Accounting Information Systems and Income Taxes. Recent undergraduate accounting majors can usually waive all of these courses.
- **Quantitative Methods:** Statistical Analysis for Management Decisions.
- **Finance Requirement:** Financial Management.
- **General Business:** Students must complete four courses from a list including courses in Business Administration, Information Systems, Supply Chain Management Analytics, Management and Marketing. Recent undergraduate business majors normally can waive all of these courses.
- **MAcc Degree requirements:** Students must complete Financial Accounting and Reporting III and IV, Auditing, one research course and one seminar course.
- **Accounting Electives:** Students must complete two additional graduate accounting electives.
- **Non-accounting courses:** Students must complete three graduate non-accounting business courses. Courses taken to satisfy the General Business requirement (above) can satisfy this requirement.
