Master of Accounting (MAcc)

Degree Program
The MAcc ranges from 30 to 42 credit hours, depending on a student's academic background. Students are not required to have an accounting or business background to apply for this program. Students who complete the MAcc, may be eligible to sit for their CPA exam in the state of Missouri. Others may be required to take additional coursework. It is highly recommended that prospective students contact UMSL Graduate Business to set up an advising meeting to discuss program details.
