Master of Science (MS) Supply Chain Analytics

Degree Program
Requires 30 hours of course work. This program is designed for students with an undergraduate degree in business, economics, computer science or engineering who would like to apply data science and analytics in the domain of supply chain management. Students must satisfy all core requirements.
- STEM Designation: Yes [CIP Code: 52.1301(Management Science)]

Program Website
https://www.umsl.edu/degrees/masters/ms-supply-chain-analytics.html

Application Requirements:
1. Complete an online application: http://umsl.edu/go/Apply-Now.
2. Submit official transcripts covering all collegiate academic work.
   a. Successful applicants must have completed a bachelor’s degree before beginning the master’s program.
3. Submit a resume or cv
4. Applicants with a 3.0 GPA or higher (on a 4.0 scale) qualify for regular admission. Students may be admitted on a restricted status if their GPA is slightly below 3.0.

Optional Materials
1. Two letters of recommendation
   a. You may include your recommender’s name and email address in your online application. Recommendation letters are not required, but can strengthen an application, particularly for students with a GPA below 3.0.

International Applicant Supplemental Materials
1. Language proficiency (international applicants only): submit TOEFL (79+), IELTS (6.5+), PTE-A (53+) or Duolingo (105-110).
2. Immigration Documents: Copy of passport, Statement of finances, Affidavit of support
   a. For support, please visit: https://www.umsl.edu/global/admissions/grad.html

Application Deadline (for domestic applicants)
Fall semester: July 1  
Spring semester: December 1  
Summer semester: May 1

Application Deadline (for international applicants)
Fall semester: May 1  
Spring semester: October 1

Application Fee
$50 for domestic applicants; $40 for international applicants
