

Graduate Certificate Artificial Intelligence

Certificate Program:

- The graduate certificate in Artificial Intelligence is a four-course program.
- It provides skills and training necessary to start and/or advance in the growing areas of AI, with a range of electives to focus more specifically in one's desired direction of study.
- All students must take two required courses and two electives.
- Prior background in AI is not required to enter this program.
- Can be extended into the MS program described at:

<http://www.umsl.edu/cmptsci/graduate-studies/ms-compsci.html>

Program Website:

<http://www.umsl.edu/cs/certificates/ai-grad-cert.html>
