

## Graduate Certificate Enterprise Systems Development

### Degree Program

The Graduate Certificate in Enterprise Systems Development is a 12-credit-hour program that can be completed in as few as two semesters (taking 6 credit hours per semester) or up to four semesters (taking 3 credit hours per semester). It is designed for students from all backgrounds who have an interest in software development and want to be able to analyze existing systems, modernize legacy systems and integrate IT platforms into new solutions.

### Program Website

<https://www.umsl.edu/divisions/business/mis/programs/certificates/esd-gc/index.html>
