

UMSL | Graduate School

Graduate Certificate Mobile Apps and Computing

Certificate Program:

- The graduate certificate in Mobile Apps and Computing is a four-course program. It provides training in technologies and frameworks for mobile apps and computing. All students must take three required courses and one elective.
- Can be extended into the MS program described at:

<http://www.umsl.edu/cmptsci/graduate-studies/ms-compsci.html>

Program Website
