

Master of Social Work (MSW)

Degree Program

- The MSW program is designed to prepare students to be competent professional social work practitioners. Graduates will have the knowledge, skills and values for direct social work practice with individuals, families, groups, organizations, and communities, or the knowledge, skills and values to effectively manage and lead non-profit and public human service agencies.
- The MSW program requires 60 hours of graduate coursework. However, applicants with a BSW from an accredited social work program or with equivalent graduate level coursework may be given up to 24 hours of advanced standing for foundation social work courses.
- The MSW program can be completed in four years. Full-time students should be able to complete the program in two years, while part-time students can complete the program within four years.

Program Website
