

Mathematics Undergraduate Advisors

Schedule of Availability – Spring 2021

Last update: February 2, 2021

Each mathematics major within the department is assigned a faculty advisor. The faculty advisor will assist in selecting appropriate courses and advise the student in matters relating to degree requirements. Students should contact their faculty advisor by phone or email to schedule an appointment.

Students are assigned to faculty advisors based on the first letter of their last names (see chart below):

Students may also contact the department interim chair, [Prof. Erika Gibb](#) for assistance.

Students are encouraged to print a current My Degree Audit report prior to their scheduled appointment with their faculty advisor. Information on MyDegree can be found at <http://www.umsl.edu/services/dars/>. Students may contact the College of Arts and Sciences Advising Office (303 Lucas Hall of (314) 516-5501) for clarification on any academic issues related to the division such as general education requirements, school policies and regulations, and graduation requirements. Students should apply for graduation by the indicated deadlines at <https://www.umsl.edu/~academicadvising/Graduation.html>. Please also note that department majors are required to take the Major Field Test during their last semester of study, please go to <https://www.umsl.edu/mathstats/resources/advising.html> for additional information.
