## SPOTLIGHT: VOLUNTEER TIFFANY IZARD

On October 6th, students, faculty, and staff volunteered for the annual UMSL Serves Day. One of our experienced volunteers, Student Retention Specialist Tiffany Izard, shared with us why she volunteers each year. She chooses to support the United Way of Greater Saint Louis because they help efficiently raise funds for organizations like YWCA, an organization that assists women who have experienced sexual abuse and racial injustices. One of the best parts about supporting United Way is that 97% of the proceeds goes back into the local Saint Louis community.

## 1 IN 3 BENEFIT

A gift to United Way is helping people. In fact, you're helping 1 in 3 people in our community each year. Together, our gifts will help a person find a job, a child receive after-school care or an elderly person receive a hot meal.

## YOU CAN STILL WIN!

You can still watch the video and enter for a chance to win a car. Just click the image below.
