FERPA Training for Access to Canvas and MyView

FERPA Training Requirement

All new instructors must complete **FERPA** (Family Educational Rights and Privacy Act) training prior to being given access to CANVAS and MyView. If you have not taken the FERPA course, it is now accessed in Canvas, <u>https://umsystem.canvas.com/</u> If you cannot access contact Kathy Miguel at miguelk@umsl.edu at your earliest convenience.

For more information, please visit the "How do I take the FERPA course" found on the UMSL Registration Website or click the link below: http://www.umsl.edu/registration/Faculty-Staff/ferpa-course.html

****Very Important FERPA information regarding the transmission of grades**: The Registrar's Office wants to emphasize that under FERPA privacy law the transmission of grades via email is prohibited. If the instructor has a need to communicate or change a grade, please contact us for the proper means of transmission without inclusion of any letter grade assignment or grade change. It is best to call the Registration Office at 314 516 5545 about these matters.

For additional information on FERPA, please refer to the Bulletin link below:

Last Date of Academic Activity in Canvas

Purpose: Create a documented work instruction for the Last Date of Academic Activity

Why is this required?

Per Title IV, the University of Missouri system is required to document the last date of academic related activity (LDA). This information must be reported to the National Student Clearinghouse (NSC) and the National Student Loan Data Base (NSLDS) for students who meet the following requirements:

- Receiving financial aid or Pell grants
- Do not earn a passing grade for a given term

Last Date of Academic Activity in Canvas

**To assist the campuses and ensure the UM system is compliant, LDA will now be a required field in campus grade submissions for students who receive a failing grade, or are assigned a Delayed Grade.

Course Interaction Data that meets Title IV LDA criteria is available in **Canvas** and will be used to assist faculty with the new LDA requirement in grade rosters**

The assigned grade is a failing grade and it requires an LDA date. Enter a date and try again. Please note that the system highlighted LDA date field for all students that has invalid value in the field (i.e.: LDA is needed but missing, LDA is needed but entered value is not between class start date and current date or LDA date is entered for a non-failing grade and should blanked out).  - EX OR EX –F GRADES (excused or excused-failing grade assignments) To assist with your grading process, students who have officially dropped your course will display a preliminary grade of "EX" (excused) or EX-F on your grade roster. If you do not see this on your grade roster for a student that you gave permission to drop, please contact the Registration Office immediately, as you will not be able to input that grade.

To save the grades, click on the SAVE button at the bottom of the page or the save button in the Grade Roster action box. This will save your roster so that you can make additions or changes. You must "approve" the grades before they can be submitted for processing. This is explained in step 11.

**If you have entered a delayed grade (DL), see the information on page 15. If there is no delayed grade entry proceed to step 12, on page 19. **

Delayed Grades

Please refer to the University of Missouri St. Louis Bulletin for more specific guidelines related to delayed grades.

Delayed Grade

A student who is unable to complete course work at the end of any semester and who has, in the instructor's judgment, sufficient reasons for not completing the work, (such as serious illness or circumstances beyond the student's control), may with the approval of the instructor, be assigned a Delayed Grade, (DL). A Delayed Grade is appropriate only when enough work in the course has been completed for students to finish the remaining work without re-enrolling in the course, attending additional classes, and no additional instruction is required from the instructor. It is encouraged that the student completes the work as soon as possible, but if the Delayed Grade is not changed by the instructor, the Delayed Grade automatically becomes an F according to the timetable below. (Note: The dean may, in unusual circumstances, extend this time limitation).

Delayed Grade Entry in MyView

Delayed Grades are entered in the MyView Faculty Center grade roster. The following steps are required to complete grade entry.

Faculty are required to report a last date of academic activity when submitting a Delayed Grade due to Federal Financial Aid regulations. To assist the campuses and ensure the UM system is compliant, LDA will now be a required field in campus grade submissions for students who receive a delayed grade as well as F or FN

- 1. The imported grades will reflect an LDA date from Canvas if there is a participation date in Canvas that is required for a student. If the date needs to be changed, it can be modified in the event of Canvas not capturing academic activity performed in person.
- 2. When a DL is entered the *LDA* field will open and the last date of attendance will need to be entered, as shown below.

- Work to be completed Here the instructor enters information about missing coursework. When a "DL" grade is assigned, the faculty member should provide a brief statement of the reason for delaying the grade and an adequate guide for the removal of the "DL" grade.
- Reserve Grade
 - The *Reserve Grade* is a suggested final grade in the event of the departure or extended absence of the instructor from the campus. The reserve grade is only used in extenuating circumstances.
 - The *Reserve Grade* is the grade the student currently has earned.
 - *Reserve grade* is viewable in your Faculty Center when you click on the *"Incomplete Grade Agreement" link.*
 - The *Reserve Grade* is not viewable to the student. Only the information you enter about the missing course work is viewable to the student.
 - *Please note* The system will <u>not</u> assign the Reserve Grade when the Delayed Grade has lapsed. This is only for your reference in your final grade calculations.

If the instructor needs to view Incomplete Grade Agreements for a specific class at a later time they can access them in the Faculty Center by course grade roster, and clicking Incomplete Grade Agreements, and the list will be pulled up, as shown below:

IMPORTANT INFORMATION ABOUT DELAYED GRADE CHANGE

(Please refer to the *Guide on Grade Change* on the Registration Website for all steps for online grade changes see the link below:

http://www.umsl.edu/registration/files/pdfs/Instructions/onlinegradchangelda.pdf

- Please be aware that the DL grade must be changed by the instructor when the course work is completed.
- If the DL grade is not changed, it will automatically become an F based on the grade lapse policy.
- The system <u>will not assign the Reserve Grade</u>, it is only for your reference in your grade calculations.
- LDA and the Delayed Grade change -As these Federal regulations have been in effect prior to the current term, the process of entering the Grade Change from DL to a passing grade for a previous term may require additional steps.
