

NTT Academic Promotion Ad Personam Chair, Unit Committee Chair/Department Chair

October 18, 2021

Betsy Sampson

Sr. Project Coordinator

Academic Affairs

Today's Topics

- Review of Promotion and Tenure (RPT)
- Roles to Upload Documents and View Permissions
- Overview of Document Organization
- Overview of Steps to Use RPT for Dossiers

RPT vs. MyVita

- RPT (Request for Promotion and Tenure) is a module within MyVita
- RPT is being used for Promotion processes on campus as part of a UM System initiative
- It allows us to organize the dossier electronically
- Committee members read the dossiers in a secure manner.

Who has permission to do what?

- Faculty Members in the Unit
 - View case if they are a voting member of the Unit committee
- Ad Personam Committee
 - Upload Documents, move documents, add/delete documents, move case forward at your step
- Department Chairs (Case Manager)
 - Move cases forward/backward, view committees, recuse committee members, unlock/lock a MyVita template
- College-level Administrator (Case Administrator)
 - Add a step in the process

Staff Role in RPT

- Can Assist with:
 - Collection of Documents
 - Providing Documents
 - Can be added with the ad personam committee to upload Letters of Appointment, Unit Standards and Letters of Review toward Promotion
 - Organizing Documents
- Faculty members should “move cases forward”

Dossier Documents

- Initial Feedback indicated documents should be as granular as possible
- Do not combine documents, for the most part
 - Combine student letters
- Individual documents can be in word or pdf
- Documents will have specific labels in RPT ([we have a guide for this](#)) except case or unit-specific appendices
- Can be uploaded with saved file name and be re-labeled to required name
- Can be uploaded in any order and organized using drag and drop feature
- No limit to documents uploaded
- Combine files and use bookmark feature in pdf

Annual Review Letters

[Annual T&P Letter 2017](#)

[Annual T&P Letter 2018](#)

[Annual T&P Letter 2019](#)

[Annual T&P Letter 2020](#)

[Annual T&P Letter 2021](#)

Ad Personam Committee Report

- Two options
 - Combine into one pdf with bookmark for Service
 - Three individual documents
 - Coversheet (I have samples!)
 - Ad Personam Report for Primary Responsibility
 - Ad Personam Service Report

Appendices

- Will need a coversheet to separate Appendices from rest of dossier
- Terms in RPT Naming Conventions were the MOST COMMON in previous cases
- You may have additional appendices
- None of the appendices listed are required
- May format name to include a section indicator (A,B,C)

Appendix

A_Sample Course Evaluation

B_Sample Solicitation Letter to Student

C_Student Respondent List

Candidate Amendments to the Portfolio

- Applies as part of a response to a negative vote
- Candidates instructed to include with response
- If changes are to be included, we will make arrangements to either unlock the Vita or add the candidate's document as an attachment to the candidate record.
- This will be case by case

Reviewing as

Ad Personam Committee

▼ Instructions

PDF or Word Documents may be uploaded. Once a document is uploaded all committee members will have access to view the document until the case is moved forward.

Click on "Read Case" and ensure the Documents already loaded have the correct names.

The chair or designated support person will upload the documents:

1. The Ad Personam Report - It is recommended that this be converted to pdf and a bookmark be added to the Teaching and Service reports.
2. Appendices Coversheet
3. Appendices/Supporting Documents as individual documents.

For example each external letter should be its own document. Edit the name of the document to meet the naming requirements:

https://docs.google.com/spreadsheets/d/1NSGa1YTxKqYC86z_1D3_gjHSgh1GJGWp/edit?usp=sharing&ouid=100758697495450589942&rtpof=true&sd=true

Reorder the documents to meet the order of the dossier in the guidelines.

The Ad Personam chair completes the confirmation of objectivity form and moves the case forward. For instructions on how to move the case forward go to:

No Documents in this section may be shared with the candidate or emailed as attachments.

Required Items

1 missing

All required items must be completed before the case can advance to the next step. Files can be added by any Committee Manager or Administrator with access to this case. Forms must be completed by the assigned user, however a Committee Manager or Administrator can select to omit the form as a requirement for a user.
