6) When uploading your video, you will see this screen. Do not close this window until upload is complete.

The screenshot displays the YouTube video upload page. At the top, a progress bar shows 'UPLOADING 11%' with a close button. To the right, it says 'About 2 minutes remaining.' and a blue 'Done' button. Below the progress bar, a message states: 'Your video is still uploading. Please keep this page open until it's done.' with a note that 'Some changes are not yet saved.' The page has three tabs: 'Basic info' (selected), 'Translations', and 'Advanced settings'. The 'Basic info' section includes a 'Title' field, a 'Description' field, and a 'Tags' field with the example '(e.g., albert einstein, flying pig, mashup)'. On the right side, there is a privacy dropdown menu set to 'Private', a 'Share' button, and a '+ Add to playlist' button. A red box highlights the 'Upload status' section on the left, which contains the text: 'Upload status: Uploading your video. Your video will be live at: [https://youtu.be/b4s9k\\_u7V6U](https://youtu.be/b4s9k_u7V6U)'.
