The Federal Work-Study Program provides funds that are earned through part-time employment to assist students in financing the costs of postsecondary education. Students awarded Federal Work-Study may work in the community at a non-profit agency registered with Financial Aid or on-campus at the University of Missouri-St. Louis.

In order to be considered for Federal Work Study, you must meet ALL of the following criteria:

1. Possess a minimum 2.0 GPA for undergraduates/3.0 for graduate students.
2. Have completed 2016-2017 FAFSA on file and all Financial Aid documents requested have been submitted and processed.
3. Demonstrated financial need as determined by your FAFSA application.
4. Enrolled at least half-time (6 credit hours for undergraduates/5 credit hours for graduate students) for Fall 2016

I am interested in working in the following area(s), IF I am awarded Federal Work-Study aid (check all that apply):

- On-campus (at UMSL)
- Off-Campus (community site in St. Louis area)
- Tutoring (either on or off campus)

1. I understand that if offered a Federal Work-Study award, I must attend a mandatory orientation session. I understand I will be notified via my UMSL email account of the offer and orientation information.
2. I understand that I may be placed in a Federal Work-Study position after attending orientation, and only if I have not been placed will I be able to seek out a Federal Work-Study position of my choosing.
3. I do not currently participate in the Federal Work-Study Program and would like to be placed on the waiting list for a Federal Work-Study award for the Academic Year (2016-2017).
4. I understand funding is very limited for the Federal Work-Study program and students already participating in the program receive priority over new hires.
5. I understand this request will only be processed if I:
   • Completed a current 2016-2017 FAFSA
   • Meet the eligibility requirements
   • Funding is available
