

JOIN US FOR APPY HOUR!

Wednesday, September 10th 5:30 – 6:30 p.m.

At St. Louis Public Library Downtown Location
1301 Olive Street, 63103

In the [Creative Experience](#) Room

During the 2014-2015 school year, GWP will be hosting a **FREE** appy hour once a month to promote and explore the use of apps in the classroom. In the model of teachers teaching teachers, be prepared to explore and share with local educators in a low stress environment ideal for any level of technology experience. We'll be ready to share apps created by the most powerful minds in the country and allow you plenty of time to play and to share. Bring your own device or discover what the Creative Experience room has to offer. All educators welcome!
