• Students under the legal drinking age, whether personally consuming or not, who are present in where alcohol is present will be subject to disciplinary action.
• Possessing, furnishing, consuming or serving from a common source of alcohol (i.e., kegs, beer balls, punch bowls or other source of 12 or more servings), unless being served and monitored by a licensed vendor after properly registering an event for provision of alcohol at a College activity, is strictly prohibited.

Please note that Residential Life’s room and board charges are billed directly to the student’s University account on a semesterly basis. Charges to a student’s account can be accessed by logging into the myview.umsl.edu website. Renters Insurance
Neither the University, nor the department of Residential Life and Housing assumes responsibility for the loss of or damage to the personal property of a student. Residents are encouraged to purchase individual renter’s insurance through the housing portal during housing sign-ups. Alternatively, you may want to see if you can be added onto a parent/guardian’s homeowners insurance.

Resident Advisor (RA)
Each community has an RA to provide additional support. An RA is responsible for getting to know students on an individual and group level (so they might knock on your door!), hosting events based on interests and needs, helping with roommate mediations, being on-call for emergencies or crisis, responding to policy/safety concerns, and overall being a resource for students. These are returning students who have received extensive training on how to help! RA applications go out near the end of February, and it is a great leadership experience!

Safety Procedures
Fire
No matter how small the fire, or even if it is extinguished, report it to your RA. Appropriate action will be taken. In the event the fire alarm sounds, leave the building immediately via the nearest stairway exit. If you should happen to be away from your room when the alarm sounds, do not return to your room itself, but leave the building via the nearest exit. Fire alarms and smoke detection equipment are located throughout each floor for your safety. Do not return until instructed to do so by emergency personnel or Residential Life staff.

Smoke Detectors
In compliance with Missouri statutes, each student room is furnished with a smoke
detector. These smoke detectors are designed to protect student life. Please cooperate by keeping your smoke detector plugged into the wall outlet with the battery in place. Do not tamper with or disconnect this safety apparatus. Report any malfunction by submitting a maintenance request online or notify the RA on call. Students who tamper with smoke detectors and/or fire prevention equipment are subject to a fine and/or disciplinary action, and/or criminal action, and/or a combination of the remedies listed. If a student is found responsible for tampering with fire safety equipment, their housing contract will be terminated immediately and they will be held financially responsible for the remainder of their contract.

Severe Weather/Tornadoes

Tornado Watch: Conditions are favorable for a tornado to form in the area. This is time to prepare and be aware of where you will go to seek shelter. When a watch has been issued for St. Louis County, the UMSL Police and the Residential Life staff will monitor the situation for additional information. You can stay alert by listening to the radio, television or a weather radio for the latest weather information.

Tornado Warning: A tornado has been spotted in the area or Doppler radar has indicated an area of rotation. When a warning has been issued for St. Louis County, it is time to take shelter immediately.

If you should hear the Civil Defense sirens going off and/or you are notified that severe weather is about to hit the area:

- Evacuate to the basement, an interior hallway, a restroom, or anywhere on the lowest level floor as possible that does not have windows or an exterior door. Do not use the elevators when evacuating.

- During severe weather, the front desk and Residential Life staff will be notified on severe weather watches and warnings. The Desk Assistant will notify the Resident Advisor On-Call.

- If a warning is issued, the Residential Life staff will also immediately notify the Resident Advisor (RA) staff. The RA’s will immediately recommend, but not force, that residents seek shelter. The staff will provide suggestions on where to go and approximately how long it will last. After notifying residents, the staff will seek shelter themselves, but will remain in close contact with the Police Department on the status of the warning. The siren may end before the area is completely free of danger. Hence, please stay in the above mentioned areas until you are instructed that the area is safe.
It is important that you make yourself aware of areas of shelter within Oak, prior to an emergency occurring.

If you need help:
- Assess the situation to the best of your ability.
- Call UMSL Police at (314)516-5155 and/or 911 with as much information as possible.
