The Degree Completion Scholarship Application is designed to support graduating seniors at the University of Missouri-St. Louis who have limited financial aid options and are within two semesters of graduating. This program is designed to assist students who have a specific and urgent financial need which serves as a barrier to degree completion. By completing this application you will be considered for one of two programs, the *Senior Degree Completion Program* and the *Finish Your Degree Program*. The Student Financial Services Office will determine if students meet the conditions for either scholarship, and if so, which program best fits the applicant's profile.

Degree Completion Program Criteria

- Must have completed the FAFSA for the current 2021-2022 academic year
- Must have limited/exhausted federal and state funding resources preventing registration for final semester or graduation
- Must be making Satisfactory Academic Progress and have a 2.0 cumulative GPA.
- Applicants must be within two semesters and 30 credit hours of degree completion at UMSL (*Preference will be given to students who are within one semester [15 hours or less] of degree completion*)
- Must be working on first bachelor's degree
- Must have attempted a minimum of 30 credit hours at UMSL prior to applying for scholarship

The following documents are needed to apply for this scholarship:

Please return all three (1) Degree Completion Scholarship Application, (2) Degree Completion Graduation Plan, and (3) Degree Completion Essay at the time of submission to the Student Financial Services Office. **Please note that ALL three documents are due at the time of submission and incomplete applications will not be considered for either scholarship.**
