The Triton Summer Scholarship Program is designed to keep UMSL students on pace for timely degree completion. This program gives preference to students who have not completed 30 credit hours or more during the academic year, lack the financial aid resources needed to pay for summer classes, and have financial need as determined by the FAFSA. **This scholarship will pay up to \$100 of tuition per credit hour, for a maximum of 6 credit hours, at UMSL during the summer semester.** Students awarded the Triton Summer Scholarship that change their enrollment will forfeit the scholarship or receive it at a reduced rate. Students who have remaining grants or scholarships available during the summer are eligible to receive this scholarship but in a reduced form.
