Administrative Responsibilities

Manage the BSW field education program. Responsibilities include: advise students in
preparation of their field placement; plan and facilitate practicum planning workshops; review
and approve student learning agreements; provide assistance with the development and
implementation of field placement policies; conduct site visits to monitor student progress;
provide assistance in the identification, recruitment, approval, and monitoring of over 400 field

placement sites and 1200 field instructors; offer consultation to students and field instructors if placement issues arise; organize and grow the annual practicum and career fair.

Co-developed and co-facilitate professional development workshops for students applying to the BSW program. Provided leadership on enhancing the professional development feedback and guidance to BSW students with the creation of a professional development rubric for use in all BSW courses.

Supervise graduate teaching assistants who help with the annual practicum and career fair, agency site visits and with the Social Issues and Social Policy Development course.

Present at the annual new BSW student orientation session.

Present at the bi-annual St. Louis Field Education Collaborative's Field Instructor Orientation sessions on macro-level social work activities.

Co-developed and co-present an annual workshop on racial equity in field education as part of the St. Louis Field Education Collaborative series.

Developed the *Social Work Conversations*, a series of discussions with experts on emerging issues in the field of social work. Winner of the 2017 UMSL Student Involvement Best Program of the Year Award and the 2020 UMSL Student Involvement Best Sustained Program.
