Job Announcement

St. Louis Circuit Attorney’s
Victim Services
Advocate Caseworker

Victim Services seeks an Advocate Caseworker to provide outreach/court assistance and support services to victims of crimes involving violence against women and family members. Education: Masters preferred. Must have 2 to 5 years experience working with individuals who have experienced victimization and have working knowledge of crisis intervention and trauma reactions; knowledge of the criminal justice process is helpful. Competitive salary and benefits included.

This is an opportunity to utilize crisis counseling and victim advocacy skills within the criminal justice system with a growing and progressive agency. Email resume with cover letter and salary requirements by August 6, 2021 to:
