

Are you interested in a study about **love and **vaping**?
Do you want to see your own **brain waves**?**

We are looking for research participants that:

- are at least 21 years old
- vape at least once a day
- are in love with someone who does not vape
- have normal vision (glasses or contacts are fine)
- are willing and able to submit 30 pictures of their beloved

The study takes about 1.5 hours and involves:

- completing some questionnaires
- completing a computer task while your brain waves are recorded

You will

- earn **\$50**
- get to see your own brain waves
