**Call Handling Modes (Out of Office)**
ShoreTel has five ”Call Handling Modes” to help you manage how you want the system to handle an incoming phone call. They are "Standard", "In a Meeting", "Out of Office", "Extended Absence" and "Custom". One call handling mode is always active. Users can manually select their active call handling mode. The default mode is “Standard”.

To activate Call Handling Mode by a ShoreTel Multi-Line phone:
- Press the “Mode” button on your phone
- Select Call Handling Mode option you want by pressing the relative number
  - Press (1) for “Standard”
  - Press (2) for “In a Meeting”
  - Press (3) for “Out of the Office”
  - Press (4) for “Extended Absence”
  - Press (5) for “Custom”
- Press “OK”

To activate Call Handling Mode by a ShoreTel Single Line phone and/or check Call Handling Mode:
- Press the “Voice Mail” button on your phone
- Enter your password followed by (#)
- Press (7) to change mailbox options
