ASSOCIATE OF ART IN TEACHING
TO A
BACHELOR OF SCIENCE IN SECONDARY EDUCATION

UNIVERSITY OF MISSOURI – ST. LOUIS &
ST. CHARLES COMMUNITY COLLEGE
TRANSFER GUIDE

This Guide is intended for the use of students who plan on transferring from St. Charles Community College (SCCC) to the University of Missouri – St. Louis (UMSL) with a completed Associate of Arts in Teaching to a Bachelor of Science in Secondary Education.

For more information on UMSL’s Bachelor of Science in Secondary Education, please visit our online Course Catalog.

The following are the requirements of the SCCC Associate of Arts in Teaching degree program as they are recommended for students intending to continue on into UMSL’s Bachelor of Science in Secondary Education. Completing these requirements as they are recommended here will maximize the transferability of a student’s coursework toward their UMSL Bachelor’s degree. Further details of this Associate’s degree program, as well as comprehensive lists of courses that satisfy each General Education component, may be found within the SCCC course catalog or may be obtained through a SCCC advisor.

Due to course requirements for professional licensing, CORE 42 is not the suggested route for transfer for those seeking a Bachelor of Science in Education degree from UMSL. Students may opt for CORE 42, but additional general education courses may be needed due to DESE requirements.

This guide is intended for use under advisement of a SCCC Academic Advisor or UMSL Transfer Specialist and is not considered to be substitution of such advisement.

All students at UMSL seeking the Bachelor of Science in Secondary Education must also obtain an additional certification in Early Childhood Special Education.

GENERAL EDUCATION - CORE 42

Communication
☐ ENG 101 English Composition I (MOTR ENGL 100) (3)
☐ ENG 102 English Composition II (MOTR ENGL 200) (3)
