**Note:** Students may also elect to begin a foreign language sequence in German at SWIC, however, UMSL no longer offers the third level of German, and so the student would need to pursue this final language course at another institution under the guidance of the UMSL Department of Language and Cultural Studies. This sequence rule is the same for Chinese and Russian. UMSL does not offer these two additional language options; therefore, if a SWIC student completed the first two levels, upon admission to UMSL a student would need to complete the third level at another institution under the guidance of the appropriate Department and advisor.
