This Guide is intended for students who plan on transferring from St. Louis Community College (STLCC) to the University of Missouri – St. Louis (UMSL) without a completed Associate in Arts.

### HOW TO USE THIS GUIDE

Below are lists of STLCC courses. Each list contains a requirement in the UMSL General Education Program and the STLCC courses that will transfer and fulfill all or a portion of that requirement. Unless stated otherwise, all Bachelor degree programs at UMSL include these requirements and so a student wishing to attend STLCC and not complete an Associate in Arts degree can select courses from this guide to fulfill each of these requirements and know that they will apply to just about any major.

- A number listed in Parentheses, (#), following a course is the number of credit hours earned at STLCC for completing that course.
- Unless stated otherwise, requirements below can be satisfied by courses passed with a D- grade or higher.
- Unless stated otherwise, a course may only satisfy one requirement.

Students may also opt to complete the CORE 42 general education block to meet the general education requirements at UMSL. Students who start the CORE 42 block but do not finish it before transferring to UMSL may be subject to completing UMSL's general education requirements.

## NON-GENERAL EDUCATION PROGRAM REQUIREMENTS

The following requirements are not part of the UMSL General Education Program. However, many degrees at UMSL may require completion of the Cultural Diversity and Foreign Language. Contact your UMSL Transfer Specialist to find out if your selected Major includes these requirements. If so, the STLCC courses listed here can satisfy them in transfer.

## Cultural Diversity

1 course required

A student must complete 1 of the following courses. This requirement may be satisfied by a course already chosen for one of the UMSL General Education Program requirements above.

- ANT 102 Introduction to Cultural Anthropology (3)
- ENG 231 World Literature (3)
- HST 130 African History I (3)
- HST 201 History of East Asia (3)
- HST 205 The United States and the Middle East, 1776-Present (3)
- IDS 103 Topics in Arab Culture (3)
- IDS 112 Sex Trafficking in Global Perspective (3)
- PHL 103 World Religions (3)

## Foreign Language

Students pursuing a Bachelor of Arts degree at UMSL must complete the third-level course of a foreign language. Without placement, proficiency examination, or other exemption of coursework, this requires the completion of two prerequisite foreign language courses as well. A STLCC student that completes one of the following foreign language sequences will have their UMSL Foreign Language requirement considered satisfied upon transferring.

### French Sequence

- FRE 101 Elementary French I (4)
- FRE 102 Elementary French II (4)
- FRE 201 Intermediate French I (4)

### German Sequence

- GER 101 Elementary German I (4)

## UMSL GENERAL EDUCATION

- GER 102 Elementary German II (4)
- GER 201 Intermediate German I (4)

### Spanish Sequence

- SPA 101 Elementary Spanish I (4)
- SPA 102 Elementary Spanish II (4)
- SPA 201 Intermediate Spanish I (4)

Students may also elect to begin a foreign language sequence in Arabic or Japanese at STLCC. Completion of both courses in one of the following sequences will satisfy the first two levels of the corresponding foreign language. The student would then complete the next two levels at UMSL after transferring.

### Arabic Sequence

- ARA 101 Modern Arabic I (4)
- ARA 102 Modern Arabic II (4)

### Japanese Sequence

- JPN 101 Modern Japanese I (4)
- JPN 102 Modern Japanese II (4)

Students may also elect to begin a foreign language sequence in Italian at STLCC, like with Arabic and Japanese above. However, UMSL does not offer the third level of Italian, and so the student would need to pursue this final language course at another institution under the guidance of the UMSL Department of Language and Cultural Studies.

### Italian Sequence

- ITL 101 Elementary Italian I (4)
- ITL 102 Elementary Italian II (4)
