PRE-LICENSURE BACHELOR OF SCIENCE IN NURSING

UNIVERSITY OF MISSOURI – ST. LOUIS & JEFFERSON COLLEGE
TRANSFER GUIDE

This Guide is intended for the use of students who plan on transferring from Jefferson College (JC) to the University of Missouri – St. Louis (UMSL) pursue a Bachelor of Science in Nursing through one of the Pre-Licensure programs. This guide is intended for use under advisement of a UMSL Transfer Coordinator.

Students pursuing a Pre-Licensure Bachelor of Science in Nursing at UMSL have the option to follow one of the three programs: Traditional and Accelerated. Each program consists of a pre-clinical sequence of coursework that can be completed either at UMSL or transferred in from another school. Note: the Accelerated program requires a Bachelor’s degree prior to admission to the pre-clinical program. For more information on these programs, please visit the UMSL College of Nursing website. Also, it is highly recommended that prospective Nursing students meet with the UMSL College of Nursing as early as possible to make sure that they have all information relevant to their degree progress. The UMSL College of Nursing can be reached at (314) 516-6066 to schedule an information session.

PRE-ClinICAL SEQUENCE

The following requirements must be completed for a student to be eligible to begin Nursing Clinical coursework at UMSL. Included in this guide are courses that can fulfill these requirements in transfer. It is not recommended for a prospective Pre-Licensure Nursing student to pursue an Associate’s degree and should, instead, complete only this exact list of requirements. Note: Accelerated program students may have additional Pre-Clinical coursework to complete upon transfer to UMSL before beginning Clinical coursework.

Clinical Application

A student should begin the application process to UMSL and their chosen Clinical program at the start of their final semester of their Pre-Clinical courses and must meet the following education standards:

☐ Completion of all course requirements listed below.
☐ B- or higher in each of the core science prerequisites.
☐ Minimum cumulative GPA of 2.75 on a 4.0 scale, including all transferred and UMSL coursework.
☐ Completion of all Core Science courses within 5 years prior to application to Clinical programs.
☐ Have not more than one repeat per required course and in no more than 3 total in courses highlighted in green.
☐ Admission to UMSL and submission of a Clinical program application before posted deadlines.

Students must complete the following UMSL courses (at UMSL) prior to starting the Clinical program:

- NURSE 1000 Cultural Diversity in Health Care
- NURSE 1050 Communication in the Nursing Profession
- NURSE 2000 Nutrition and Health
- NURSE 2050 Pathophysiology

Students may opt to dual enroll with JC/UMSL while taking these courses or take the four courses at UMSL in the semester prior to the Clinical Program.

Note: Only a certain number of students are accepted into the Nursing Clinical programs each semester. Entrance is extremely competitive and is based on the supplemental Nursing application, which is holistic in nature, and includes gpa, recommendation letters, and essays.
