This guide is intended for students who plan on transferring from Lewis & Clark Community College (LCC) to the University of Missouri – St. Louis (UMSL) without a completed Associate in Arts.

This guide is intended to fuse under the advisement of a LCC Academic Advisor or UMSL Student Recruitment Specialist and is not considered substitution of such advisement.

**HOW TO USE THIS GUIDE**

Below are lists of LCC courses. Each list contains a requirement in the UMSL General Education Program and the LCC courses that will transfer and fulfill all or a portion of that requirement. Unless stated otherwise, all Bachelor degree programs at UMSL include these requirements and so a student wishing to attend LCC and not complete an Associate in Arts degree can select courses from this guide to fulfill each of these requirements and know that they will apply to just about any major.

- A number listed in Parentheses, (#), following a course is the number of credit hours earned at MAC for completing that course.
- Unless stated otherwise, requirements below can be satisfied by courses passed with a D- grade or higher.
- Unless stated otherwise, a course may only satisfy one requirement.
