ASSOCIATES OF SCIENCE IN NURSING
TO A
BACHELOR OF SCIENCE IN NURSING

UNIVERSITY OF MISSOURI ST. LOUIS
MINERAL AREA COLLEGE
TRANSFER GUIDE

This Guide is intended for the use of students who plan on transferring from Mineral Area College (MAC) to the University of Missouri – St. Louis (UMSL) with a completed Associates of Science in Nursing to pursue the Bachelor of Science in Nursing: RN to BSN Completion program.

The RN to BSN program is designed for the busy professional and can be completed in as little as five consecutive terms. To make the program flexible for all students, courses are available 100% online. For more information on these programs, please visit the UMSL College of Nursing website. Also, it is highly recommended that prospective Nursing students meet with the UMSL College of Nursing as early as possible to make sure that they have all information relevant to their degree progress. The UMSL College of Nursing can be reached at (314) 516-6066 to schedule an information session.

A student interested in completing the Associates of Science in Nursing at Mineral Area College should discuss admission requirements and course content with your Mineral Area College advisor.
