This Bachelor's degree offers emphasis options in the following areas: General Fine Arts, Graphic Design, and Art Education. Unless specified below, the courses recommended in this guide will be applicable to all of these Emphases. For more information on UMSL's Bachelor of Fine Arts in Studio Art, please visit our online [Course Catalog](#).

The following are the requirements of the STLCC Associate of Fine Arts degree program as they are recommended for students intending to continue on into UMSL's Bachelor of Fine Arts in Studio Art. Completing these requirements as they are recommended here will maximize the transferability of a student's coursework toward their UMSL Bachelor's degree. Further details of this Associates degree program, as well as comprehensive lists of courses that satisfy each General Education component, may be found within the STLCC course catalog or may be obtained through a STLCC advisor.

NOTE: TLCC does offer the Associate of Fine Arts degree with emphasis options in Graphic Communication and in Photography. While these degree paths are not bad choices for students pursuing the corresponding emphases at UMSL, following the Associate of Fine Art in General Fine Arts degree as it is detailed here is the recommended option.
