NOTICE

Tenure Track Faculty
Department of Biology

Tenure Track faculty appointment at the rank of Assistant Professor in an area of Molecular Biology. Provide classroom instruction to undergraduate and graduate students in Biology, Biochemistry and Biotechnology programs; conduct research in related areas; and participate in service to the University. Those with molecular research programs related to plant biology or evolution are especially encouraged to apply. Requires Ph.D. or equivalent doctoral level degree in Molecular Biology, Microbiology, Zoology or closely related biological field, at least one year relevant postdoctoral experience and strong publication record. Salary commensurate with qualifications. Contact Wendy Olivas, Ph.D., Chair, Department of Biology, University of Missouri-St. Louis, One University Blvd., St. Louis, MO 63121. The University of Missouri is an Equal Opportunity/Affirmative Action/Americans with Disabilities Act employer. Women and members of minority groups under-represented in academia are especially encouraged to apply.
