For up-to-date information on the Open Houses, cancellations due to weather, or other special events in the sky, visit our Facebook page **The Richard D. Schwartz Observatory at UMSL**, or call the **Skywatch Hotline****: (314) 516-5706

**All Open House sessions will include viewing of the first quarter Moon, along with additional deep sky objects such as visible nebulae and galaxies.*

***Please note that the hotline is not tended to regularly. Contacting the observatory through Facebook is a faster alternate for updates and questions. We apologize for any inconvenience this may cause.*

**Public observing sessions are sponsored in part by the
Missouri Space Grant Consortium**
