General Summary
The Developmental Trauma Center at FamilyForward is hiring an Educational Therapist in our Therapeutic Preschool Program located at our South City site. Our Therapeutic Preschool Program seeks to enhance child well-being and help meet their basic emotional/safety needs, with a focus on those children ages three to five who have experienced significant developmental trauma. FamilyForward’s Therapeutic Preschool provides developmentally respectful, trauma informed, strength-based care for children and their families. This position is classroom based and works as a part of a team to meet the unique needs of the children enrolled in our preschool program. Educational Therapists receive individual supervision and participate in ongoing clinical staff consultation. FamilyForward offers generous training opportunities, with a specific focus on the Neurosequential Model of Therapeutics. We encourage collaboration, positive workplace culture, diversity, self-care, and professional development.
