Now Hiring LMSW’s in Cape Girardeau & Farmington, MO!

Are you a recent Master’s Graduate (or will be soon) looking for a position where you can develop your clinical skills?

At Tender Hearts Child Therapy Center, we value the fresh perspective and excitement of new graduates and offer you the opportunity to begin your career developing your clinical skills.

If you’re seeking a position as a Licensed Masters Social Worker (LMSW), I’m excited to share this opportunity with new Master’s Level Graduates like you.

In fact, several LMSW’s at our Private Practice are already enjoying the following benefits:

* Begin your career in a counseling position to develop your new clinical skills.

* Clinical Supervision from a Supervisor who understands documentation responsibilities and how to be successful in a Private Practice setting.

* Enjoy the support of a team environment, where everyone helps each other learn and grow (no matter their experience level)

* Weekly group meetings to offer support in addition to Clinical Supervision (Staff Meetings every other Wednesday to cover paperwork, technical aspects of the job and “Skills Group” on alternate Wednesdays to learn from the whole team in a safe, supportive environment!
