Come Play, STL Child and Teen Behavioral Health Therapist

Come Play, STL is a premier pediatric clinic seeking a skilled Play Therapist. A person who is eager to continue to hone their clinical skills with the best research based modalities out there. A person who wants to walk alongside a client and help them reach their therapeutic goals. A person who is flexible and able to adapt to an ever growing ever changing unique outpatient team driven medical clinic. A person who leads clients, parents/caregivers, and other team members with humility, perseverance, and confidence. A person who is creative and able to think outside the box to best grow themselves, their clients, and Come Play, STL. A person who desires to be part of a collaborative team working to ensure the best outcomes for Come Play, STL’s clients.

Duties and Responsibilities:

- Complete assessments of clients using formal and informal tools to identify strengths and areas for treatment and to diagnose psychological, behavioral and emotional disorders within scope of practice
- Create and implement treatment plans for clients and as appropriate their caregivers that encourage overall well-being and functional outcomes
- Provide therapy based on the treatment plan
- Provide guidance, education, consultation to the clients, their caregivers and other professionals to optimize outcomes and carryover
- Attend regularly scheduled team meetings to discuss policies and operational guidelines, caseload management, opportunities for improvement, and ideas for future services
- Partner with the other members of the Come Play, STL team to customize a treatment plan, coordinate services, implement best practices, provide consistency to clients and ensure the best possible outcome

Qualifications

Required:

- Must be in compliance with federal, state and local requirements specifically
- Must have completed a Graduate degree in Social Work or Counseling Field from an accredited college or university
Abilities and Skills:

- Professional oral and written communication and excellent interpersonal communication skills with clients and coworkers
- Ability to meet the needs of a varied client population therapeutically and sensitively
- Sound analytical and problem-solving skills
- Strong organizational and prioritization aptitude
- Comply with HIPAA and other federal, state and local regulations to maintain the highest degree of confidentiality in client and staff matters
- Physical demands require clinicians to continually walk, sit, stoop, kneel, crouch, and stand for long periods of time and the ability to lift and move up to 50 pounds

Come Play, STL utilizes a three phase interview process to ensure that potential clinicians and Come Play, STL are suited for each other. Please send your resume, cover letter, and three professional references to info@comeplaystl.com. Once these three documents are received one of our team leads will reach out to you to walk you through the next steps.
