Make a difference every day...

Do you love children? Are you interested in a job that enhances your career goals?

The Saint Louis Crisis Nursery is a safe-haven, offering 24-hour emergency care to children, birth through age 12, whose families are experiencing a crisis. **We are not a daycare!** We provide incredibly helpful training so staff can respond therapeutically to our precious children.

All of our employees must be at least 21 and have a minimum of 1 year paid experience caring for children.

Here’s what our staff say about their job:

“Every single day I learn something new, have the honor of working with the most compassionate women I have ever known and the joy of giving children what they need to flourish”

Mary P., 2 years

“I love working at the CN because you get to work with families directly on goals and watch the progress they make... I also love that children are able to have all their needs met. You may not see smiles at first, but there is always a smile at the end from parents and children alike”

Cortnie G., 4 years

**Current Opportunities In St. Louis and St. Charles County**

**We are always looking for our next awesome team member**
